"Moody gray blue is tough to get tired of. This one gives off a cozy 'stay a while' vibe, which is one reason I like it so much in a dining room."

—Heather Blue Harkovich, Heather Scott Home & Design, Austin, TX

midsummer gold

BY BEHR

"This is like sunflower yellow on steroids. It helped a rather ugly old secretary—which I picked up on the side of the road—find new life. And it looks so chic against my bright white walls."

—Andrea Duclos, Oh Dear Drea blog, West Palm Beach, FL

tansy green

BY SHERWIN-WILLIAMS

"These vanity cabinets were so sad before they met this perky apple green paint. Finding the right green can be a challenge. What's great about this one is that it's not too olive-y or neon."

—Joann Kandrac, Kandrac & Kole Interior Designs, Kennesaw, GA
